ACTIVE GUARD AND RESERVE REQUIREMENTS

Length of Tour: Initial AGR tour orders are probationary. The probationary period will not exceed six years. Follow-on tours will not exceed six years and will not extend beyond an enlisted Airman's Expiration Term of Service (ETS) or an officer's Mandatory Separation Date (MSD).

The information below was taken from ANGI 36-101, 03 June 2010.

5.3. Grade. To accept an AGR position, an applicant’s military grade cannot exceed the maximum military authorized grade on the UMD for the AGR position. Reference paragraph 6.6. for proper assignment to a position/unit. Enlisted Airmen who are voluntarily assigned to a position which would cause an overgrade must indicate in writing a willingness to be administratively reduced in grade in accordance with ANGI 36-2503, Administrative Demotion of Airmen, when assigned to the 22 ANGI36-101 3 JUNE 2010 position. Acceptance of demotion must be in writing and included in the assignment application package.

5.3. Approval in writing from NGB/A1M is required prior to the accession of any O-6. In addition, any officer may not enter the AGR program in an overgrade status.

5.4. Commissioning of Enlisted Member. Enlisted personnel applying for officer positions must be eligible for commissioning upon application for AGR duty. Assignment to the AGR tour will not become effective until the individual receives a commission in the ANG and as a Reserve of the Air Force.

5.5. Air Force Fitness Standards. AGR Airmen are subject to the provisions of ANGI 10-248, Air National Guard (ANG) Fitness Program until superseded by AFI 36-2905, Fitness Program. Airmen must meet the minimum requirements for each fitness component in addition to scoring an overall composite of 75 or higher for entry into the AGR program. For members with a documented DLC which prohibits them from performing one or more components of the Fitness Assessment, an overall "Pass" rating is required.

5.6. Security Clearance. AGRs must have a current favorable adjudicated personnel security investigation that is commensurate with their currently assigned AFSC. Local security representatives can provide verification of security clearance information using the Joint Personnel Adjudication System (JPAS).

5.6.1. AGR follow-on assignments will not be issued without a current favorable adjudicated security clearance investigation.

5.6.2. If a top secret security clearance is not held by Airmen selected for an AGR assignment that requires access to top secret information, the Airman must initiate a security clearance update. The AGR selectee must notify their unit security manager to initiate a new security investigation. The HRO/AGR Manager will not issue the AGR orders until security clearance upgrade is initiated and the member has a current favorable investigation.

5.7. Separated for Cause. To be accessed in the AGR program, an individual must not have been previously separated for cause from active duty or a previous Reserve Component AGR tour.

5.8. Retainability for an AGR Assignment. Enlisted personnel must obtain sufficient retainability to fulfill an AGR assignment.

5.9. Sanctuary. It is not the intent of the AGR program to bring non-career applicants into the sanctuary zone [18 to 20 years Total Active Federal Military Service (TAFMS)]. Anyone whose order [AD or FTNGD orders (other than training)] places them at 18 years or more TAFMS will require a signed and approved sanctuary waiver IAW AFI 36-2131, Administration of Sanctuary in the Air Reserve Components.

5.10. Inability to attain 20 years TAFMS. If a candidate applicant cannot attain 20 years TAFMS in the AGR career program, waiver authority of this requirement is The Adjutant General. Individuals selected for AGR tours that cannot attain 20 years of service before reaching mandatory separation, must meet the Statement of Understanding contained in Attachment 3. The HRO will maintain the completed and signed Statement of Understanding.

5.11. Medical Requirements. Applicants for permanent, occasional or AGR deployment backfill tours must meet the requirements outlined in Chapter 12.
