INSTRUCTIONS

The decision you make regarding participation in the Reserve Component Survivor Benefit Plan (RCSBP) is very important. **A decision to participate, that is to select either Option B or C, is permanent and cannot be changed unless authorized by law**, such as the opportunity to terminate your participation during the period that is between your 62nd birthday and the day before you reach age 63 at which time you may elect to discontinue participation. A decision to decline RCSBP coverage means you will not have another opportunity to select SBP coverage until age 60. In the event you decline RCSBP coverage and die prior to your 60th birthday, no survivor benefits will be paid. Please review the program details carefully and consider the effects of your decision before making an election. You must submit this form within the 90-day period after being notified of eligibility for retired pay at age 60. If you do not submit this form as required, your election, if any, will be determined by law.

14. Select the monthly amount of retired pay you wish to have the survivor annuity based on. NOTE: You cannot decrease the level of existing coverage. Your covered spouse beneficiary will receive an annuity that will pay 55 percent of the level of coverage until age 62 and will pay between 45 to 50 percent during the phase-out of the two-tier method (October 2005 - March 2008). Effective April 1, 2008, the annuity regardless of age will be 55 percent of the level of coverage selected. The annuity paid to a child or children totals 55 percent (divided in equal shares). Children annuities are payable to children who are: under age 18; or under age 22 if full time, unmarried students; or any age if disabled and incapable of self-support before 18 (or 22, if while a full-time student). An insurable interest annuity is 55 percent of the difference between retired pay and the premium for coverage. Insurable interest annuities remain at 55 percent regardless of age. Spousal consent and signature are required for an RCSBP election that does not provide for an immediate spouse annuity (Option C) based on full retired pay. **A NOTARY PUBLIC MUST WITNESS THE SPOUSE'S SIGNATURE.** The witness must not be a beneficiary of the member. In the event that consent is required, but not provided, RCSBP coverage will be established for an immediate spouse annuity based on full retired pay. NOTE: If the member selects Option A (declining to make an election until age 60), and the spouse consents, no annuity will be payable if the member dies prior to reaching age 60. When the member reaches age 60, an SBP election for less than a full spouse annuity requires the member's spouse to consent. Electing Option B requires the beneficiary to wait until the member would have been age 60 before the annuity is payable, in the event the member dies prior to reaching age 60.

I hereby consent in my spouse's RCSBP election as indicated. I have read and understand the information that explains the options available and the effects of those options.
